

Solve Your Hunger in 5 easy steps

Presenting

Malaysia's very first all-diet friendly food delivery application for new cooks and busy adults!

Cooking doesn't have
to be complicated

START with a craving

Feel like eating some good food and
also brush up those cooking skills?

Select a Meal

Search on 'What to Eat'. We have wide
variety of affordable ready-to-cook meals
that caters to your craving.

Customise it!

Yes! You heard it right! Don't like an
ingredient in the dish? Swap it out for
ANYTHING you want. Cool, right?

Follow the recipe

"What To Eat" not only sends you all the
ingredients you need, but also a cooking
instruction that is easy for everyone to
execute. So, go ahead!

Ready to serve!

Finish cooking in less than 30 minutes and
its ready to be served! No messy cleanups!
Yes, it's that easy. Eat more, worry less!
